

Field Hockey Canada (FHC) Coaching Opportunity
Junior Men's National Team (JMNT)
Assistant Coach/Analyst & Manager Positions

Field Hockey Canada (FHC) is the National Sport Organization for Field Hockey in Canada. It's purpose is to lead growth and pursuit of excellence in the sport of field hockey and to position our National Teams for consistent podium contention while respecting the following set of values: Integrity, Fun, Teamwork, Accountability, Respect, Transparency

Available Positions:

Junior Men's National Team:

- Junior National Team Assistant Coach and Analyst
- Junior National Team Manager

Nature of the Agreement:

These are part-time and limited contractual agreements for provision of coaching services. The JMNT Program is under the supervision of Field Hockey Canada's High Performance Leadership Team consisting of High Performance Director, Operations Director and NextGen Director.

Term:

These contracts will be starting before/by January 31st 2023, building towards the Junior Pan American Championships in Barbados. Assistant coaches, analysts and team managers are encouraged to be available throughout the 2023 season towards the Junior World Cup. The key dates are below:

- Junior Pan American Championships in early April in Barbados
- FIH Hockey Junior World Cup in early December in Malaysia

Continuation of this contract subject to a positive performance review after the conclusion of our JPAC event.

Location:

Variable and to be determined based on the location of training and competition.

Scope:

The manager will be engaged in the processes for team preparation and execution of training periods, and preparation and execution of competition periods including managing budget, travel, accommodation, nutrition, scheduling and liaising with local organizing contacts and on the ground team and athlete management.

The Assistant coach / Analyst must have:

- An understanding of the current state of the game and trends internationally.
- Experience with responsibilities and logistics of providing of video support to teams.
- Experience with, or commitment to learn, Sport Code or NAC Sport video analysis and coding software.
- Must be self-directed, and able to source international video, analyse and provide reports to the head coach on international opponents,
- Must provide timely coding and feedback on JMNT competition and training environment film.
- Experience delivering high performance coaching and instruction to junior aged athletes, and ability to use analysis to support planning and delivery of instruction.
- Must be committed to working within the coaching staff to support JMNT success and performance on field.
- Coaches may be asked to support some managerial tasks.

Both Coach and Manager will be expected to participate in program debrief processes and report on the successes and opportunities after each event.

Qualifications:

All coaches applying to provide their services in these areas must have the following:

- All mandatory SafeSport modules and current criminal record completed
- NCCP Competitive-Development Multisport Trained or show recent progress and commitment toward achieving trained status.
- Must have a current passport and be able to travel internationally.

Disclaimer:

As per its high-performance plan and established strategies in collaboration with its High-Performance and funding Partners, Field Hockey Canada retains the right to pre-determine various coaching positions listed above.

Applications including a resume and cover letter (and the position that you are applying for) should be sent in confidence via email by no later than Friday, January 20, 2023 at 12:00 PST to:

Field Hockey Canada
