WELCOME MESSAGES

Welcome!

On behalf of Field Hockey Canada, it is a pleasure to welcome all competing athletes, officials and staff as well as visiting PAHF dignitaries to Canada for this Junior Pan American Championship for junior men and junior women. Welcome also to our local community and indeed those who are joining us here in B.C from across Canada.

We are honored to host this Championship on the traditional territory of the Katzie, Semiahmoo and Kwantlen Nations, and blessed to be hosting this event alongside our provincial and club colleagues who share this wonderful facility here at Tamanawis. We have a knowledgeable and engaged local community in Surrey and British Columbia, and I am sure they are as excited as we are about hosting a first Continental Championship at Tamanawis Park.

For those of you new to the game of field hockey, it is a fast paced and exciting sport, so we feel sure that over the coming days you will enjoy high caliber, competitive games from the young men and women from across the Pan American nations.

Equally important as the on-field sport is the opportunity this event provides to bring together our local and international hockey community. One of the greatest gifts sports gives us is the opportunity to make lifelong friends and we hope this event will provide the opportunity to make new friends as well as to reacquaint ourselves with friends from across the country and from across the continent. Together we can build a strong and united future for everyone involved in our amazing sport.

Of course, an event of this magnitude would not be possible without the support of many, many people. I'd like to thank the local organizing committee for their tireless efforts towards delivering a successful event: FHC Director Kerry Moynihan, Nick Sandhu (FHC Director and Tamanawis Society), Narinder Sanga (India FHC and Tamanawis Society), Harjinder Basra (Panthers FHC), Hartinder Khangura (Dashmesh FHC), Shaquelle Gilbert (FHBC) and Hailey Yhap (FHC). Thank you to all the clubs who together make the wonderful Tamanawis community and have joined and contributed to make this event a success. All are listed later in this program and around our field. This is a 'made in Tamanawis' community event - by the community, in the community and for the community. Our sincere and heartfelt thanks also to the City of Surrey, ViaSport, and PAHF in your partnership and to our sponsors, donors and supporters without whom this would not be possible.

Finally, I send our best wishes to all the amazing young athletes who will compete over the next 10-days - they are the stars of the future global game, and we are privileged to have you here in Canada. Have an enjoyable competition. Good luck to all Nations!

Sincerely,

Susan Ahrens, Chief Executive Officer,
Deb Whitten, Chair, Field Hockey Canada
